# Thank You For Partnering with Harrell Family Missions Children's Gift Ministry!

## History

Harrell Family Missions in Honduras began the Children's Gift Ministry in 2009 with a burden to reach out and minister to children in needy areas. Since then the Lord continues to open doors through partnerships and supporters.

## Theme

"Connecting Churches with Children in the poorest parts of Honduras". Churches and participants will see joy filled faces of children receiving the gifts they prepared and sent through our YouTube channel "Harrell Family Missions".

## Method

Your CGM box will have a special place in a Children's Evangelism Event. The gospel is preached on their level and they are given an opportunity to accept Jesus as their Lord and Savior. We also invite Missions Teams to share in the ministry.

## Team

From BGMC to Dip Shipping to our 50 volunteers here in Honduras, our warehouse is waiting for your CGM box! We'll load up our ministry trailer and take it to where the need is. Thank you for joining the Children's Gift Ministry Team!

## Commitment

Our commitment to every church, school, business, civil organization, family and/or individual that participates in the Children's Gift Ministry is that we will send you a personalized thank you video showing the distribution of your gifts.
